

Workshops/Courses/Programs

The Front Camera Workshop

This explosive 1 day workshop planned to build confidence while teaching valuable performance skills in a fun and energetic setting

- How to act for camera
- How to audition for TV
- Audition process
- Rehearsing for scenes

The Front Camera Workshop aims to assist actors who are serious about exploring their acting potential for film and television.

The workshops are designed to assist with understanding film and television scrip writing and confidence when auditioning.

School Holiday - Introduction to Film and TV Acting 3 Day Workshop

The School Holiday Program will focus on front of camera and filming directions. Each student will work on developing scripts and scenes. You will learn confidence and self-esteem in front of the camera together with:

- How to act for camera,
- Improvisation skills,
- How to audition for success,
- Casting process,
- Script analysis,
- Characterisation,
- Rehearsing for scenes,
- How to take direction on set
